3rd October 2016

Dear Parents/Carers,

With the demand of the new curriculum and the need to continue to raise standards we have identified an additional training need for staff at the earliest opportunity.

With this in mind will now have a curriculum planning day on **Friday 21st October** as well as **Monday 31st October**.

We are aware that this is very short notice, after publication of our staff training days; however we feel this will benefit all staff and students during this academic year and beyond. The school will not be open to students on Monday 31st October as previously advised.

Thank you for your continued support.

Yours faithfully

Mrs N Lapskas
