Voluntary contribution request to support costs of ESFA competitions

Dear Parent/Carer

This academic year LeAF Studio has explored a range of opportunities to increase competitive matches for our football squads. One of these additional competitions, the ESFA Small Schools Trophy, has provided our students with the chance to play against schools of a similar size to LeAF Studio across the country, both at home and away.

We are very proud of the manner in which all of our students have engaged with this opportunity, and both the Year 9 and Year 10 squads have now successfully reached the semi-finals of this national competition.

Throughout the rounds we have endeavoured as a school to cover the costs of travel to away fixtures, however due to our ongoing success we now find ourselves in a position where we need to hire a 3G pitch for our home fixtures and travel to venues as wide ranging as the Isle of Wight, Truro, Acton and Slough to play our opponents.

In order for us to be able to continue to manage these costs without adversely affecting the budgets for other areas of the Athlete Academy we would be extremely grateful if you could make a suggested minimum £5 voluntary contribution towards the hire of the 3G pitch and the transport costs of the away matches for this academic year. This can be done through your school Parent Pay account, if you have any questions about how to complete this please do not hesitate in contacting me. If you have already contributed to our school funds, we are very grateful and do not expect further contributions.

Many thanks for your support with this, it is greatly appreciated.

Yours sincerely
