Dear Parent / Carer

Following on from the Year 11 Information Evening, we would like to remind you of the request to ensure your child does not participate in any additional specialism specific examinations, competitions or shows in the lead up to the final GCSE examinations.

In our experience at LeAF Studio, those students with these additional commitments have come under additional stress which has affected their emotional state of mind and actual examination results.

Whilst we fully appreciate this may be a difficult choice for your son/daughter to make, ultimately their wellbeing is of the utmost importance and their GCSE grades should be the main priority over the coming months.

We hope that the providers will be understanding of this.

Yours sincerely

Mrs N Lapskas
